WHERE'S WALLY? GAMES!

Everyone loves musical statues, sleeping lions and pin the tail on the donkey – so why not give these traditional party games a Where's Wally? twist? To play a game of 'Pin the Glasses on Wally', draw Wally on a large piece of paper, minus his glasses, and put it on a wall. Then on a separate piece of paper, draw Wally's glasses, and cut them out (children will need adult supervision). With a blindfold, and a little spin, the game can begin! Who can get the glasses the closest to where they belong?!

WHERE'S WALLY? WORDATHON
Wally, Wenda, Woof, Wizard, Whitebeard... Wally's world is built around the letter "W". Using a timer or stopwatch, give each competitor a set time limit (thirty or sixty seconds will do). The aim is to think of as many different words beginning with "W" as possible in the given time – the winner is the person who comes up with the most!
